

## PROJECT MANAGEMENT

### Self-Guided Study:

All below found at Udemy.com using login- [kirkj@pcsb.org](mailto:kirkj@pcsb.org) password- Techhigh1

The Agile Samurai Bootcamp

Beginning Project Management: Project Management Level 1

Microsoft Excel for Project Management

CEO- level Presentation Skills- Slide Writing for Consulting

CompTIA Project+ Exam Prep

### Certifications I recommend you get this year:

Microsoft Office Excel

Microsoft Office Outlook

CompTIA Project+- will look into getting vouchers- we do have trainings on Udemy for it.

### What will I turn in WEEKLY?

Notes

Project Files- Excel files, presentations, sample work, sample business documentation.

### Future Certifications (after graduation):

<https://www.cio.com/article/3210765/certifications/top-project-management-certifications.html>

<https://www.pmi.org/certifications/types/certified-associate-capm> - 1,500 of project experience- will need to begin to intern- you also must have a HS diploma first so you will not be able to earn while in HS

### College Resources:

You can get degrees in project management, management and business- below are solely certificates.

SPC: <https://go.spcollege.edu/ProjectManagement/>

USF: <http://www.usf.edu/continuing-education/programs/professional-development/project-management-certificate.aspx>
