

Team Work

LEARNING GOAL & SCALE: Standard	
4	Student will be successful in level 3 and: Apply problem solving, teamwork, leadership skills to solve issues within your team and make it to the NGT finals.
3	Student will be successful in level 2 and: Demonstrate leadership and teamwork skills needed to accomplish team goals and objectives. - Employ leadership skills to accomplish organizational goals and objectives. - Establish and maintain effective working relationships with others in order to accomplish objectives and tasks. (Standard 72.0) - Write programs as part of a development team (66.10)
2	Student will: Research and understand what teamwork and leadership is. Research common team building techniques.
1	With help from the teacher, the student has partial success with the current content.
0	Even with help, the student has no success with the current content.

Work Scenario: Team work and collaboration are two of the most valuable and highly desired soft skills. Honing those skills and giving examples during a job interview of issues you've overcome while working in teams could be what sets you apart from other candidates with the same education.

You earn credit for this standard by demonstrating leadership and teamwork skills throughout the entire semester with work done for NGT. Points awarded will be determined by how you and your team worked together.
