

# Prezi

Prezi is online presentation software similar to PowerPoint but online based and often looks a little more unique than a simple PowerPoint.

- To Sign up go to: <https://prezi.com/signup/basic/>
- Choose “Student” if it asks why you are using Prezi
- “New Presentation” → choose a template you like by clicking on it then clicking “use this template” at the bottom.
- Double click a slide to edit the text, add slides as needed.
- When you need to exit go to File → Save\*
- Once you are done save (using above) and send me the link.
  - To create a link click “Share” icon in top right corner. “Create New Link” → Type “Kirk” in company name and click “create link”. Upload link to OneDrive.
  - DO NOT GIVE ME THE ADDRESS BAR LINK TO YOUR ACCOUNT, I WONT BE ABLE TO OPEN IT.

\*When you log back in just go to [prezi.com](https://prezi.com) → log in and open your saved presentation.
